Letter-join Pupil log-in

Dear Parents, carers and pupils,

Our school is now part of the Letter-join handwriting scheme and our pupils can log in to the Letter-join website at home on iPads, tablets and computers. There you will find the same, easy-to-use handwriting resources that we use at school.

The school, alongside John of Gaunt Infant and Nursery School, started the scheme in September 2024, with a view to improve overtime the quality of handwriting and presentation across both schools.

Letter-join's scheme of work supports our aim for pupils to develop fluent and legible handwriting style over time, to ensure they reach the standard expected at the end of Key Stage 2.

National Curriculum Expectations

Key Stage 1:

By the time pupils join us from KS1 feeder schools, they should be able to correctly form printed letters, capital letters, numbers and punctuation.

Pupils should also be able to produce neater handwriting with consistent spacing and letter sizes as well as developing ‘speedy handwriting’.

As pupils’ confidence, fine and gross motor skills develop, and they learn to sit correctly for handwriting, using a tripod grip, they should begin to move from print to cursive handwriting.

Key Stage 2:

As pupils build on KS1 skills, they begin to write passages of text neatly and speedily.

Letter-join supports pupils to acquire a feel for neatness and quality in their final handwritten work.

With practice pupils develop writing stamina and will cover all the criteria necessary by the end of Y6 to reach the standards set out in the National Curriculum for handwriting.
