African Drumming Summer School

The hedgehog hideaway building will now take place in the autumn term; the **African drumming** is still going ahead, and details are included with this newsletter.

A busy week ahead starts with the **Summer Fayre** tomorrow, from 12 till 2.

On Tuesday afternoon, weather permitting, **sports day** includes all the track events. I'm just hoping Mr Baldwin has recovered from his jaunt to London with the year six children in time to lead the way! This is our main event, and you're all most welcome to join us. On Wednesday there'll be further, less formal, 'field' events taking place for the children. Heavy rain will postpone either event until Friday.

Please note the Trust consultation evening is on Tuesday evening at 7pm.

The school's latest production, **'The wizard of Oz'** is currently under rehearsal. All cast and choir are working hard to be ready for the big day on the 13th July. We look forward to an exciting show and hope you will be able to join us. The show starts at 7pm. Cast and choir will be needed in school for rehearsals on the 1st July and will need to bring a packed lunch.

Tomorrow is, of course, the big day. I'm looking forward to Summer fayre, though a little anxious about that Cyberman... I might end up hiding beside the barbeque. Perhaps I'll meet you there!
