Fortnightly news update from Bure Valley School

MESSAGE FROM MR OLNEY, HEAD OF SCHOOL

Dear Parents/Carers,

We have returned to school refreshed and ready for the summer term ahead. This week has been a really positive start to the new term; the children have really enjoyed being able to take their learning outside and make the most of our extensive outdoor space. With the weather much improved, and rabbit holes filled, pupils are now able to access the grass areas, can participate in a number of lunchtime clubs and make good use of the new shed playground equipment.

Recently we have welcomed a number of visitors to our school, including lots of prospective parents, all have commented on our friendly and welcoming atmosphere, how polite your children are and our fabulous facilities. It's always an honour and a privilege for me to show visitors around.

One of the strengths of our school is our community spirit. The Aylsham Cluster Trust is built on the principle of a community coming together in the interests of the children and families we serve. Therefore, I would like to invite all families to support the Aylsham Cluster Trust, School Parent Association, Growing Day event, at Woodgate Nursery tomorrow. It starts at 2pm, and families can come and go as they wish. Over 250 people attended last year's free event, from across cluster schools, and the feedback was positive.

J Olney
