BEHAVIOUR FOR LEARNING POLICY Bure Valley School - Covid-19 Addendum

All other parts of the behaviour policy will remain except the following:

House Points

- House points will be awarded practically but not physically in school;
- Children will not use the house point counter system as they would do normally but house points will be recorded in each class digitally;
- House point totals will be collated remotely and shared online.

Behaviour Sanctions

- School staff are to follow the usual traffic light behaviour system;
- In the first instance we ask that staff within the bubble try to remedy poor behaviour choices/poor behaviours for learning;
- Should a child continue to make poor choices they will be given a warning and moved down to yellow, if despite this adult intervention and support similarly poor behaviour continues an orange card will be sanctioned and the pupil will be asked to leave their bubble to discuss their behaviour with a member of SLT. Staff within the bubble will radio for a member of SLT and an initial discussion will take place with the child in that bubble's pod;
- If the member of SLT believes that the child would benefit from some time out of class they will be moved to a safe space within Room 9 or outside of the HoS office;
- A child removed from class will never be put in another bubble for behavioural reasons;
- SLT to try and maintain good social distancing at all times and will disinfect the spaces occupied by a child from any bubble once the child has returned to their class;
- A child will immediately move to Red and be removed from class if they use the coronavirus to scare other children i.e. deliberately coughing in someone's face and claiming to have the virus;
- Parents will be notified in the normal way;
- Persistent misuse of the coronavirus as a threat to others may lead to a fixed term exclusion as would persistent, wilful breaking of school rules and systems around COVID-19.
