

MESSAGE FROM MR OLNEY HEAD OF SCHOOL

Dear parents and carers,

It has been lovely to be able to meet with you this week in person to discuss your child's start to the new academic year. Thank you for booking an appointment to meet with your child's teacher.

The feedback we have received so far from parents is that you really appreciated having the option of a face-to-face consultation. Teachers have also welcomed the chance to meet with parents in school to have more personable conversations.

As you already know, parent consultations are a chance to discuss how your children are doing in class and in school generally with their teacher. They can help decide how best to work together to support your children's achievement. I say work together, because your support and engagement is crucial to your child's progress.

For that reason, we are happy to discuss your child's learning in whatever format takes your preference. If you haven't yet booked an appointment (online, over the phone or in person) please do so. We are all really friendly and approachable.

Thank you for your continued support and positive feedback. We have had lots of visitors in to school this week and all have been complimentary of the children and the work going on at Bure Valley.

Best wishes

J Olney

ODD SOCKS DAY

On Monday, 14 November, we are inviting all the children to wear odd socks to school to mark the start of Anti-Bullying Week. Odd Socks Day is designed to be fun! It's an opportunity for children to express themselves and celebrate their uniqueness. There is no pressure on the children to wear the latest fashion or for parents to buy expensive costumes. All they have to do to take part is wear odd socks to school, it couldn't be simpler!
