

MESSAGE FROM MR OLNEY, HEAD OF SCHOOL

Dear Parents and Carers,

As we come towards the end of Spring Term One, we find ourselves at the half way stage of the academic year. A lot of learning has taken place and a lot is still to come.

As we progress further into 2023, we must continue to help our children achieve the highest possible standards in their work and behaviours for learning.

Recipe for a successful learner:

- Having a positive attitude towards learning - want to achieve and do well in school and in life
- Putting in effort at school and at home, to read daily, to learn core knowledge and to practice key skills
- Focussing on getting the basics right: read every day, practice spelling and handwriting, learn your times tables, work on your understanding of number/place value and learn how to add, subtract, multiply and divide efficiently
- Embracing mistakes as part of the learning process
- Asking for help if unsure
- Responding positively to feedback
- Showing resilience and determination - learning new things takes times, practice and patience

If we work together to focus on this simple recipe, we will instil skills and a mindset in our children that will serve them well at school and in adulthood.

A little practice every day, at school and at home, has a massive impact. Our highest achieving, are achieving well because they understand this and build this into their daily routine before, during and after school.

Thank you once again for your support and understanding this week in relation to the ongoing industrial dispute between the government and members of the National Education Union. I hope the communication you received from school was clear and timely.

J Olney

PARKING AT SCHOOL

School encourages parents and carers to use the roads around our school safely. Please park considerately, legally and think of residents. This includes parking in private spaces, on grass verges and blocking access to properties.

Where possible, the local policing team will be supporting the school and residents to enforce this.

Please help to keep our community safe and happy.

SPORT @ BVS

Well done to the dodgeball team who won the competition at Fakenham this week.

Well done also to our Yr5/6 boys. They had a great afternoon playing football at Beeston Hall School.

Excellent teamwork from everyone who took part in both tournaments - we are very proud of you all.

MRS HAYCOCKS

Some of you may have seen the letter from Joy Haycocks in the current edition of Just Aylsham, saying that she is currently in hospital.

Even though Joy retired from teaching at Aylsham Middle school (now BVS) many years ago, she continued to coach the netball team until last year.

If there are any pupils, parents, grandparents, carers who would like to send get well wishes to Joy you can do so by emailing her daughter, Jenny at jennyhaycocks@gmail.com

We hope that Joy recovers soon, so that she is able to return back to her home in Aylsham.
