

MESSAGE FROM MR OLNEY, HEAD OF SCHOOL

Dear parents and carers,

Thanks once again for your support this half term. I often talk about the importance of community and working in partnership and over the last few weeks, it has been a privilege to welcome lots of you into school, for lots of different reasons.

The children have really enjoyed our themed week this week and have taken part in a range of activities. This has been captured on page 3 of the newsletter and our Twitter feeds.

Our social media feeds are filled with snippets of all the good things that go on in school. They showcase our rich and varied curriculum brilliantly. We are all very proud of the range of opportunities and experiences we give the pupils, and we urge you to follow us online so that you can see for yourselves all that we get up to in school.

Our staff work incredibly hard to organise an enriching curriculum. I am constantly thanking them for their time and effort on your behalf.

If you were unable to join us for an event in school this half term, then please look to join us during Summer Term Two. We have a full calendar of events on offer, so please save the dates and get involved.

Have a great bank holiday weekend and a safe and happy half term.

J Olney
